

PRESS INFORMATION

Conference announcement

On the 9 – 10 Juny 2008 the 4th international FSC Global Paper Forum will take place in the frame of the fair trade drupa08 in Duesseldorf, Germany. With approx. 150 participants in 2007 this international conference was a big success and also this year FSC certificate holders, purchasers of FSC certified paper products, pulp suppliers and representatives of related sectors and NGOs will meet to create a stronger market and new opportunities for FSC-labelled paper.

Writing the future ...

markets for responsible paper!

4th FSC Global Paper Forum
9 – 10 June 2008 on drupa08 in Düsseldorf

Panel discussions, workshops and latest updates and developments of FSC International policies related to the paper sector are some of the activities envisaged for this event. The conferences offers a lot of different events and opportunities to come together. The following main features will be offered

- success: good brand meets good paper
 - Opportunities to match demand and supply
 - Impact of FSC on forestry, conservation, trade and laws
 - New FSC Standards in Chain-of-Custody
- ... and more.

The conference starts at 13.00 on June 9 and ends at 13.30 on June 10. The most recent agenda is available at www.writingthefuture.org

The FSC Global Paper Forum 2008 is supported by

Background:

The FSC is an international not-for-profit membership-based organization that brings people together to find solutions to the problems created by bad forestry practices and to reward good forest management. The FSC Working Group Germany is one of the national initiatives of FSC.

The Rainforest Alliance works to conserve biodiversity and ensure sustainable livelihoods by transforming land-use practices, business practices and consumer behaviour.
